Accommodation at Disney's Hotel Santa Fe

Refurbished in 2013, Disney's Hotel Santa Fe® offers 1000 rooms over 3 different room types. All rooms brightly decorated in a New Mexican style with Navajo colours and designs. Check in is from 15.00 and check out is by 11.00.

Standard Rooms

Disney's Hotel Santa Fe® offers 736 standard rooms that can accommodate up to 4 people and 1 infant under 3 years old. Standard rooms have two double beds, bathroom, telephone, television with international channels, radio and a ceiling fan. There is also space for a cot. There also are a limited number of rooms which have 1 double and a set of bunks.

Rio Grande Rooms

The Rio Grande rooms feature all the same amenities and room layout as the standard rooms, however the rooms location offers the additional benefit of being close to the Disney Parks. Situated next to the pathway along the Rio Grande River, just left of the Disney Lake, these are great for families with small or elderly guests in their party who want to be closest to all the action.

Eldorado Rooms

Surrounded by all the hotels main features and services, these rooms are perfect for those looking to literally roll out of bed and find themselves just outside the hotels reception, restaurant and shops. They include all the same amenities of the Standard rooms, sleeping up to 4 people, however, it is the location which sets this room type apart from the rest.

Family Rooms

Larger groups or families of 6 people can opt to stay in one of the 5 Family rooms. These prove very popular though and require advance bookings, subject to availability. These spacious rooms offer 2 double beds and a set of bunk beds. Family rooms also include a bathroom, telephone, television with international channels, radio and a ceiling fan.

Restaurants at Disney's Hotel Santa Fe

Continental breakfast is included which is served daily in the main hotel restaurant. Hot dishes are available on request for a supplement.

Taste a range of European and Tex-Mex delights at La Cantina, a buffet style restaurant with a Santa Fe market feel. Alternatively get into the swing of things down at the Rio Grande Bar which hosts a lively atmosphere of bright lights and cheery music, with live performances on selected dates.

For children there is also an indoor play corner and a "Pow Wow Game Arcade" with interactive gaming machines (payable locally).
